

## Evaluation mean relative error percentage graphs

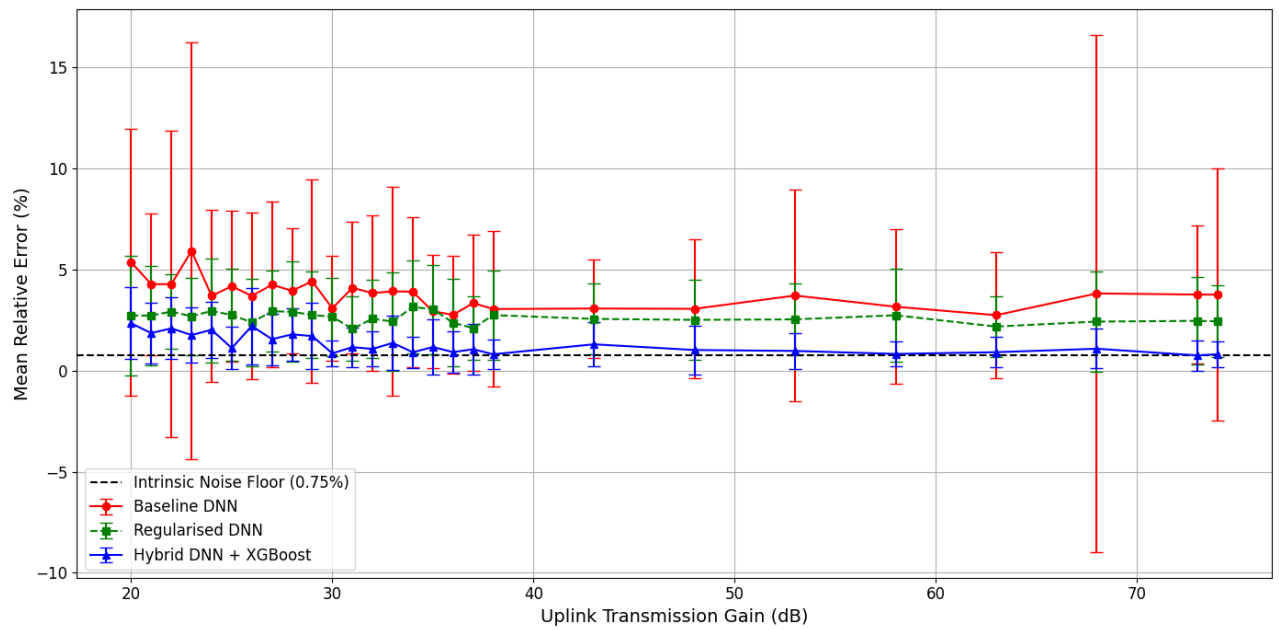

Figure 5-4: Mean Relative Error across Transmission Gain Levels, error bar is std dev of relative error

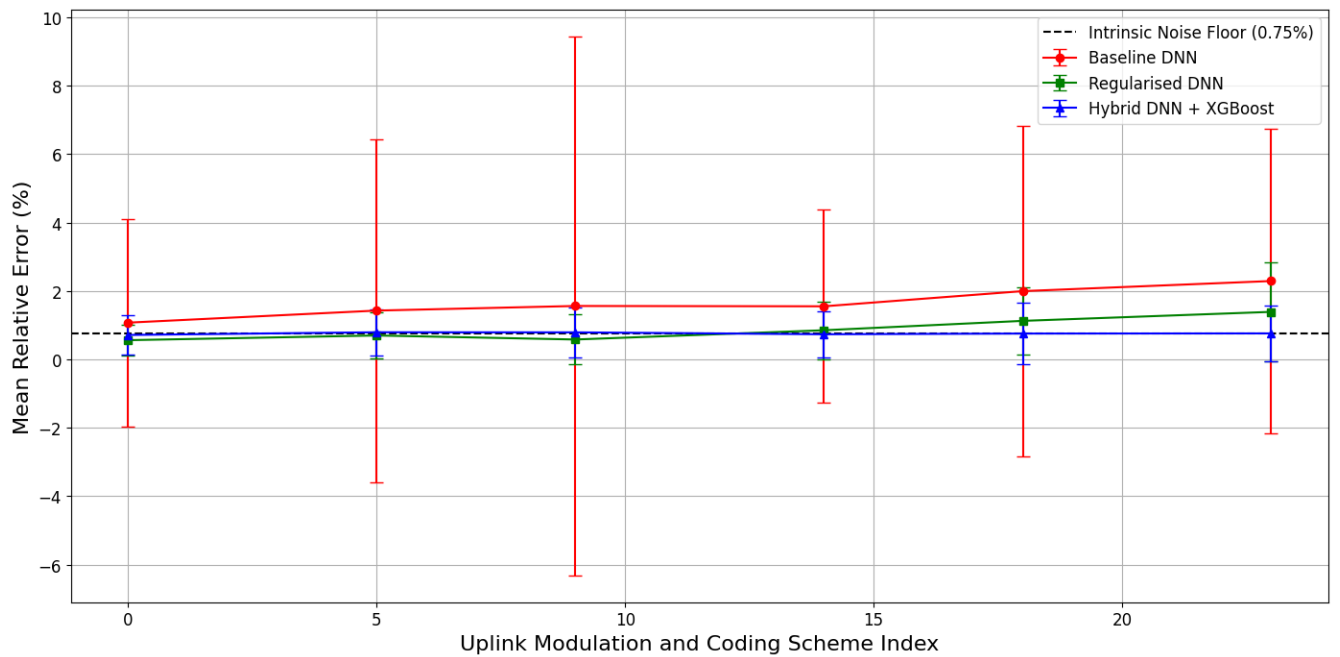

Figure 5-8 Mean relative error across uplink modulation scheme levels, error bar is std dev of relative error

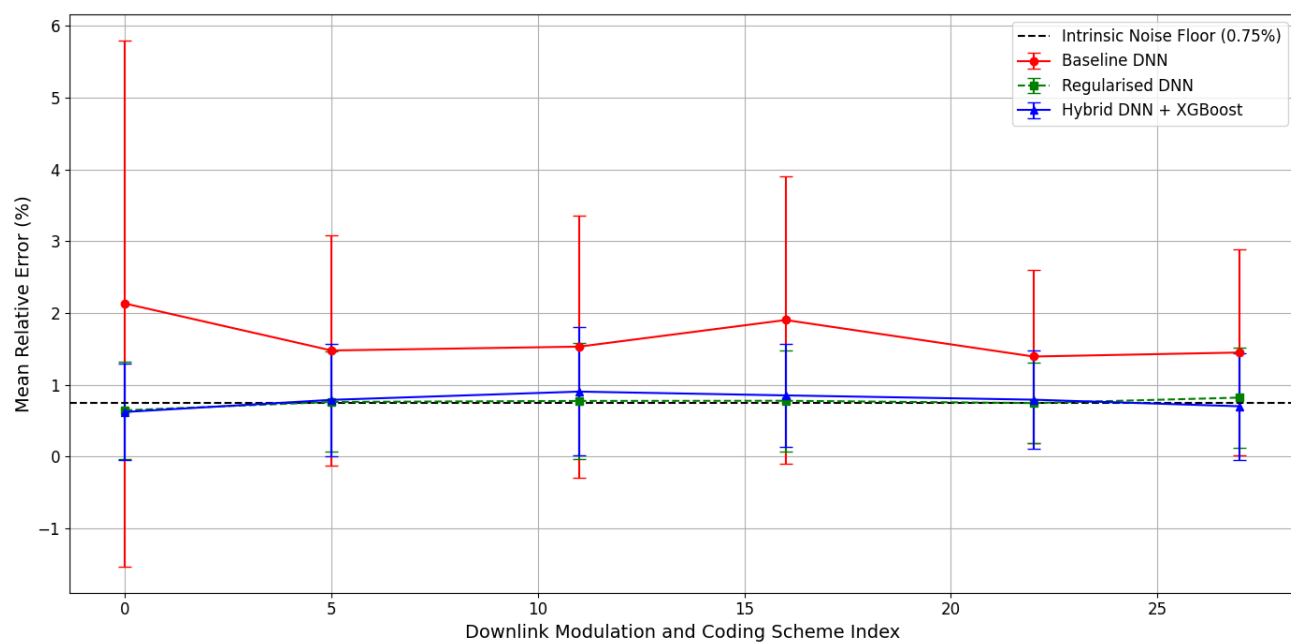

Figure 5-12 Mean relative error across downlink modulation scheme levels, error bar is std dev of relative error

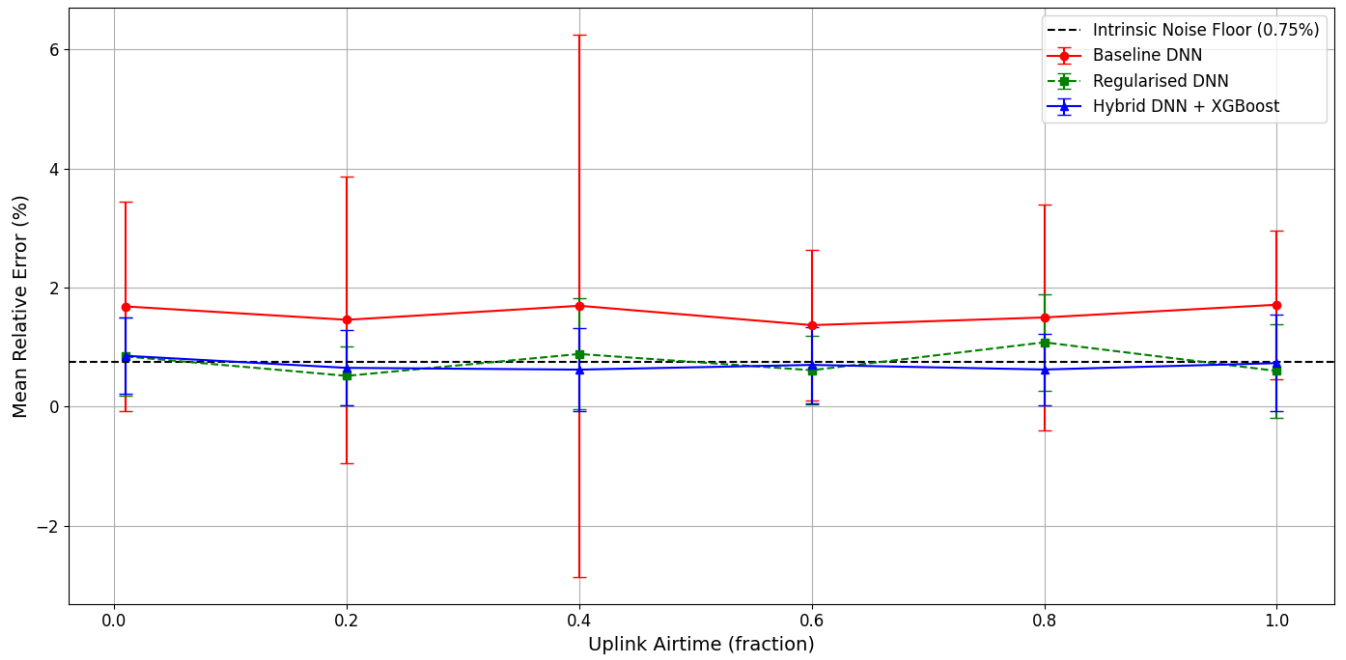

Figure 5-16 Mean relative error across uplink airtime levels, error bar is std dev of relative error

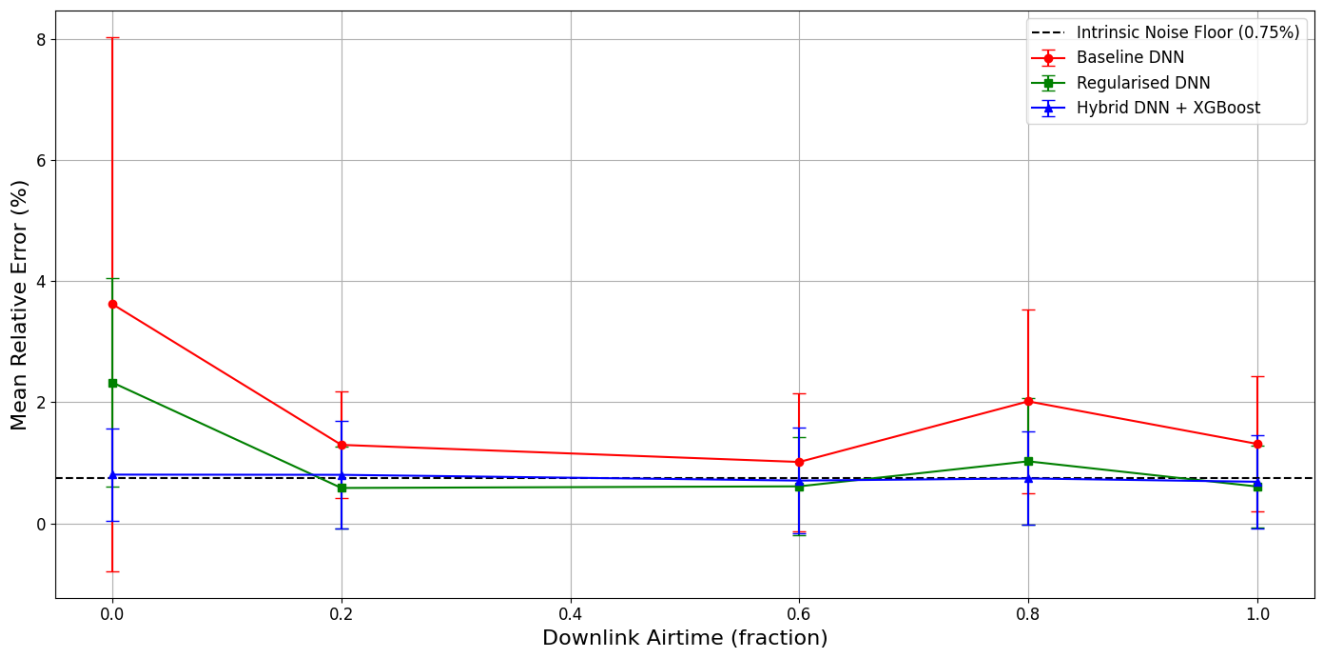

Figure 5-20 Mean relative error across downlink airtime levels, error bar is std dev of relative error
